

## Our Evening is Going Virtual!

**The funds raised through this event are vitally important, allowing us to continue to support the 4,800 kids and adults with disabilities we serve each year.**

Even though our evening portion will look a bit different this year, we have developed a contingency plan to enjoy a wonderful dinner and program together virtually.

### **Interested in Joining Virtually for our Free Live Streamed Event?**

Our virtual program will include an auction with mobile bidding so that you can participate from the comfort of your home. Get ready and register for our auction today. By texting *Navigators* to 76278, you will be registered for mobile bidding and receive updates on our event. Our program will be streamed live on YouTube and Facebook and our event program link will also be available on our website and auction site.

### **Dinner Packages and Sponsorships**

To ensure that our event can happen in a safe and socially distant way, we are putting together a fantastic package for our dinner guests to enjoy our virtual program and auction from the comfort of your home. We are happy to deliver this package to our dinner guests and will reach out with details.

Please note that we continue to monitor health and safety recommendations and will take all necessary precautions to ensure the well-being of our guests. We are prepared to celebrate Life Navigators' important mission fully virtual if the need arises, and we hope that you will join us in securing bright futures.
