

Our Plan for the Years Ahead—Your Impact on Our Future
Securing Bright Future for Kids & Adults with Disabilities

You Can Expand Our Guardianship Program

Providing for those with the greatest needs who do not have a family member to fulfill the critical role of keeping them safe, happy and healthy. By expanding our Guardianship program, we will be able to serve an additional 50 adults with disabilities.

You Will Create a Lasting Impact by Building our Endowment

Planning for the financial and service needs of individuals with disabilities to create bright futures. Your planned gift will create a lasting impact and allow us to secure the future for more kids and adults with disabilities.

You Can Grow our Family Support Program

Assisting families to provide peace of mind and critical support services. Our goal is to expand our Family Support program to serve additional families and caregivers in need of information and education as well as to assist younger families with futures planning services.
